B. ACADEMIC HISTORY

5. RESEARCH ENDEAVORS AND AWARDS

a) Research endeavors

- Phonology-Phonetics Interface
- Loanword phonology
- Second Language Phonology
- Sound change and variation
- Heritage language
- Speech perception
- Articulatory phonetics
- Corpus linguistics
- Research languages: Korean, English, Japanese, Vietnamese, Tagalog, Mandarin, Cantonese

b) Research awards

Major grants: Principal Investigator

2020-25 SSHRC Insight Grant

Speech rate and sound change: From today's variation to tomorrow's innovation
Social Sciences and Humanities Research Council of Canada
\$165,059

2019-20 VPR Research Competitiveness Fund

Sound symbolism of gender in personal names
University of Toronto Scarborough, Vice Principal of Research

- \$9,915
- 2018-19 VPR Research Competitiveness Fund
Speech rate variation and sound change
University of Toronto Scarborough, Vice Principal of Research
\$9,580
- 2013-19 SSHRC Insight Grant
Bilingualism, perceptual drift, and regularization of loanwords
Social Sciences and Humanities Research Council of Canada
\$204,375
- 2013-16 SSHRC Partnership Development Grant
A corpus-based study of Korean dialects: microvariation and language universals
Social Sciences and Humanities Research Council of Canada
\$199,238
- 2012-13 VPR Research Competitiveness Fund
A diachronic atlas of the Korean language: phonetics, phonology, and sound change
University of Toronto Scarborough, Vice Principal of Research
\$10,000
- 2011-12 VPR Research Competitiveness Fund
The role of monolinguals and bilinguals in loanword adaptation
University of Toronto Scarborough, Vice Principal of Research
\$9,900
- 2011-12 SSHRC Standard Research Grant
Cross-language perception and loanword adaptation under sound change in progress
Social Sciences and Humanities Research Council of Canada
\$32,183
- 2010 The Academy of Korean Studies Competitive Research Funding
A study of English borrowings in Korean-language newspapers in Toronto
The Academy of Korean Studies
US\$2,000
- 2009-12 Connaught New Staff Matching Grant
A phonetic study of English and Japanese loanwords in Korean
Connaught Fund, University of Toronto
\$6,318
- 2006-9 Connaught Start-up Grant
Phonetics and phonology of loanwords in Korean
Connaught Fund, University of Toronto
\$10,000
- 2006 SSHRC Aid to Research Workshop and Conference in Canada
International Conference on East Asian Linguistics
Social Sciences and Humanities Research Council of Canada
\$5,500

2006 Connaught Grant for International Symposia/Conference
International Conference on East Asian Linguistics
Connaught Fund, University of Toronto
\$8,940

Major grants: Collaborator

2016-21 SSHRC Insight Grant
Heritage languages speakers in Toronto—What do they tell sociolinguists?
Social Sciences and Humanities Research Council of Canada
PI: Naomi Nagy
\$213,882

2015-20 SSHRC Insight Grant
Imitation of articulatory gestural patterns
Social Sciences and Humanities Research Council of Canada
PI: Alexei Kochetov
\$214,965

2009-13 SSHRC Standard Research Grant
Heritage languages change and variation
Social Sciences and Humanities Research Council of Canada
PI: Naomi Nagy
\$150,132

2009-12 Connaught New Staff Matching Grant
A multi-lingual corpus of articulatory kinematic data for inter-disciplinary speech production research
Connaught Fund, University of Toronto
PI: Alexei Kochetov
\$30,000

Other research grants: Principal investigator

2019 VPRO Department Research Fund
PI share: \$5,000 (\$30,000 total for the department)

2012-17 VPR Research Impact Fund
University of Toronto Scarborough, Vice Principal of Research
2017: \$500, 2016: \$500, 2015: \$500, 2014: \$500, 2012: \$200

2005-17 SSHRC Institutional Grants
University of Toronto Scarborough, Centre for French and Linguistics
2017: \$511.00, 2015: \$ 620.00, 2014: \$377.11
University of Toronto Scarborough, Department of Humanities
2012: \$600, 2011: \$375, 2010: \$1,550, 2009: \$1,093.94, 2008: \$2,000, 2007: \$690, \$1,150,
\$170, 2006: \$500, 2005:\$1,300
University of Toronto, Department of Linguistics
2008: \$400, 2006: \$134.29, \$1,900, \$300, 2005: \$470

Teaching-related grants

- 2017 Teaching enhancement grant
University of Toronto Scarborough, The Centre for Teaching and Learning
Psychopy templates for linguistic experiments, \$2,145.00
- 2012,15,18 Teaching equipment fund
University of Toronto Scarborough, The Centre for Teaching and Learning
2012: *Recording equipment for linguistics courses*, \$3,585.89
(co-applicants: Chandan Narayan, Juvénal Ndayiragije)
2015: *Ultrasound probe & 3D model of larynx*, \$5,786.01
2018: *Recording equipment for linguistics courses*, \$7,953.26
(co-applicants: Blaire Armstrong, Philip J. Monahan)
- 2008 Dean's student research experience fund
University of Toronto Scarborough
\$1,000

Student research funding

- 2014-20 University of Toronto Excellence Award: Social Sciences and Humanities
University of Toronto
2020: Gajathree Ananthathurai \$6,000
2019: Danielle Berardinelli \$6,000
2019: Kristen Wong \$6,000
2018: Kristen Wong \$6,000
2017: Luan Li \$6,000
2015: Rachel Soo \$6,000
2014: Jestine Abella \$6,000
- 2019 Jackman Humanities Institute Scholars-in-Residence program
Sound symbolism of gender in personal names
University of Toronto, Jackman Humanities Institute
\$7,500
- 2017 The Academy of Korean Studies Competitive Research Funding
Recipient: Na-Young Ryu
Acquisition of Korean vowels and nasal codas by Mandarin Chinese and English learners of Korean
The Academy of Korean Studies
US\$5,100

D. LIST OF COURSES

11. COURSES

* I had major responsibility for design of all courses listed below.

a) Undergraduate courses taught

University of Toronto Scarborough: Undergraduate

- LINA01 Introduction to Linguistics
2007F
- LINB04 Phonology I
2006F, 2008W, 2009W, 2010W, 2013W, 2014W, 2015W, 2018W, 2019W
- LINB09 Phonetics
2006F, 2007F, 2008F, 2009F, 2010F, 2012F, 2013F, 2014F, 2015F
- LINC02 Phonology II
2007W, 2008F, 2010F, 2012F, 2014F, 2016F
- LINC09/D09 Phonetic Analysis
2014W, 2015W, 2017W, 2018W, 2020W
- LIND01-6 Supervised reading
2007W,F, 2008F, 2009F,W, 2010W, 2015F, 2017F

University of Toronto St. George: Undergraduate

HUM199 East Asian Languages in contact with English
2005Y

LIN228 Phonetics
2005S, 2006W

LIN229 Sound Patterns
2006S

SUNY Stony Brook: Undergraduate

LIN301 Phonology
2002W

b) Graduate courses taught

University of Toronto St. George: Graduate

LIN1211 Advanced Phonetics
2019W

Speech rate and phonetic variation

LIN1221-4 Advanced Phonology I-IV
2005W,F, 2007W, 2008W, 2009W, 2010W, 2013W, F, 2015F, 2016F, 2017F, 2020F

Positional asymmetry in phonology and phonetics-phonology interface

Phonological Universals and inductive learning

Experimental phonology

Loanword Phonology

Nature of Lexical Representation

Frequency in Phonology

Sound symbolism

LIN1507 Individual Reading
2008W

Yale University: Graduate

LIN535 Phonological Theory II
2001W

LIN638 Structure of Korean
2001W

c) Graduate supervision (University internal)

i. Primary supervision

Postdoctoral fellows

- 2016-18 Suyeon Yun (PhD, Massachusetts Institute of Technology)
Funding: SSHRC Insight Grant
Bilingualism, perceptual drift, and regularization of loanwords
Current position: Assistant Professor (tenure track)
Department of Linguistics
Chungnam National University
- 2014-16 Jessamyn Schertz (PhD, University of Arizona)
Funding: SSHRC Insight Grant
Bilingualism, perceptual drift, and regularization of loanwords
Current position: Assistant Professor (tenure track)
Department of Language Studies
University of Toronto Mississauga

PhD theses

- In progress Lisa Sullivan
TBD
- 2019 Na-Young Ryu
Acquisition of Korean and English by L2 learners
Current position: Assistant Professor (teaching)
Department of Asian Studies
Penn State University
- 2012 Beth MacLeod
Cross-dialectal phonetic accommodation of Spanish consonants across Spanish dialects
Current position: Assistant Professor (tenure track)
School of Linguistics and Language Studies
Carleton University

PhD general papers

- 2020 Lisa Sullivan
Universal and cross-linguistic gender-based sound symbolism in Korean given names
- 2019 Andrei Munteanu
Homophony Avoidance in Russian Masculine Nouns
- 2019 Katharina Pabst
Is nooz really the new njooz? Glide deletion in Toronto English
- 2018 Zoe McKenzie
Perceptual basis of geminate consonant co-occurrence restrictions
- 2015 Ruth Maddeaux
The limits of inductive learning: The case of Modern Irish mutation
- 2015 Na-Young Ryu

The adaptation of Mandarin falling diphthongs in Heritage Korean in China: The interaction of linguistic and sociolinguistic factors

- 2014 Emily Clare
Evidence of phonological knowledge from perceptual learning
- 2014 Ross Godfrey
Morphologically conditioned durational effects in English: phonetic implementation or lexical access
- 2013 Yu-Leng Lin
The acoustic study of coronal sibilants in Taiwan Mandarin with region differences
- 2013 Marisa Brook (co-supervision with Keren Rice)
Intersecting phonotactic restrictions and their perceptual effects
- 2011 Michelle St. Amour
Modeling Grammatical Gender Assignment: Russian Nouns Ending in Palatalized Consonants
- 2010 Andreea Loredana Kosa
Sibilant Harmony: investigating the connection between typology and learnability through artificial language experiments
- 2009 Beth MacLeod
The lenition and fortition connection: Spanish [w] strengthening through reanalysis
- 2008 Annick Morin
Gemination of clitics in Quebec French
- 2008 Jaehee Bak (co-supervision with Elan Dresher)
The natures of com 'please, a little, or etc. and language change in Korean

MA theses

- In progress Nicoline Butler
TBD
- 2019 Philippe Thompson
Korean stops in Toronto heritage Korean
- 2018 Lisa Sullivan
Phonology of gender in French and English first names
- 2015 Luke West
Neutral tone in Sgaw Karen
- 2014 Richard Gananathan
